Pursuant to Regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are pleased to inform you that, Accura Technik Private Limited, a wholly owned subsidiary of the Company, engaged in manufacturing worldclass gravure cylinder, has commenced commercial production at its manufacturing facility located in Silvassa with effect from today.

This state-of-the-art facility has an installed capacity of approximately 12,000 cylinders per annum, adhering to the highest global standards. This strategic development will significantly bolster the Company's ability to provide differentiated solutions in domestic and international markets.
